

OUR IMPACT IN 2022

3 Tom's Trust centres

By 2023 Tom's Trust will have three centres working across the UK. These are at Addenbrooke's Hospital in Cambridge, the Great North Children's Hospital in Newcastle, and Alder Hey Children's Hospital in Liverpool.

£1,000

funds a clinical psychologist for one child and their family for a whole year.

4

The number of awards Tom's Trust was shortlisted for in 2022.

371

children with brain tumours across the UK are supported by a Tom's Trust psychologist. Per month, 40 children are newly diagnosed with a brain tumour in the UK - we aim to reach as many of them as possible.

213

children supported at our Cambridge centre.

158

children supported at our Newcastle centre.

1,113

family members have been supported by Tom's Trust psychologists in 2022.

"Thank you Diana for helping me with my needle phobia, and thank you Tom's Trust." Mimi Clarke, age 12

"Angela is my psychologist, she is kind and caring. She helps me with my anxiety and being able to get me to eat different foods. She helps me face cannulas for MRIs and blood tests." Riley Akers, age 12

"If it wasn't for Sarah I don't think we would have got through it. Thank you to Tom's Trust for funding her, we wouldn't know what to do without her." Darren Frazer, dad to Grace, 8

£279,143

The annual running cost of our service.
